

## Allegato 12

### PDTA GIC COLORETTALE – versione 1/2021

**COMMITTENTE** – Direttore Dipartimento di Rete Oncologica

**APPROVAZIONE FINALE** – Gruppo di Studio Colorettale / referenti GIC colonretto

#### ESTENSORI

##### **1) Screening, diagnosi tempestiva, sindromi da predisposizione genetica**

Vittoria Grammatico (coordinatore)

Myriam Katja Paris

Francesca Olivero

Marco Naddeo

Elisabetta Fenocchio

Valentina Renda

##### **2) Diagnosi clinica e anatomicopatologica e stadiazione pre-trattamento**

Annalisa Balbo Mussetto (coordinatore)

Maurizio Spandre

Laura Fanchini

Laura Auriati

Renato Parente

Renzo Clara

Silvia Ramonda

##### **3) Trattamento chirurgico tumori del colon**

Roberto Perinotti (coordinatore)

Antonio Masciandaro

Luca Bonatti

Andrea Spinelli

Cravero Francesca

Elisabetta Castagna

Ugo Parisi

Matteo Gatti

##### **4) Trattamento chirurgico tumori del retto**

Maria Carmela Giuffrida (coordinatore)

Marcello Zago

Igor Monsellato

Andrea Muratore

Roberto Saracco

Alberto Serventi

Maria Paola Bellomo

Paolo Bellora  
Vincenzo Adamo  
Francesco Moro

### **5) Terapia adiuvante e trattamento delle fasi avanzate tumore del colon**

Cristiano Oliva (coordinatore)  
Franco Sarli  
Angelo Giuli  
Anna Ferrero  
Sara Bustreo

### **6) Trattamento neoadiuvante, adiuvante e delle fasi avanzate tumore del retto**

Cristina Piva (coordinatore)  
Elena Traverso  
Andrea Galla  
Cristina Granetto  
Panier Suffat Luca  
Roberta Volpatto  
Sara Lattuada

### **7) Follow up e ai problemi riabilitativi**

Roberto Rimonda (coordinatore)  
Liana Todisco  
Davide Ottaviani  
Giuliana Ritorto
